### “Preach the Gospel and if necessary use words”

-St. Francis of Assisi

#### *Message from our Principal Sr. Michelle Fernandez, SCTJM*

*It is important to have an attitude of gratitude for all the goodness the Lord gives us daily. May we not be afraid to open wide the doors of our hearts to Christ and Our Lady in the month of the Holy Rosary. Let us join the 13million rosary campaign at [www.piercedhearts.org](http://www.piercedhearts.org)*

*“So I ask you: Are you looking for empty thrills in life, or do you want to feel a power that can give you a lasting sense of life and fulfillment? Empty thrills or the power of grace? To find fulfillment, to gain new strength, there is a way. It is not a thing or an object, but a person, and he is alive. His name is Jesus Christ.”*

*“All together, then, we ask the Lord: “Launch us on the adventure of mercy! Launch us on the adventure of building bridges and tearing down walls, barriers and barbed wire. Launch us on the adventure of helping others, those who feel lonely and abandoned, or no longer find meaning in their lives.”*

#### **A message from the Ms. Bryant....**

**I am honored to serve as St. Mary’s Assistant Principal, as an alumni of St. Mary’s, I have experienced the tremendous growth of the school along the years. I will continue to provide support to the students in preparing them for success. I will continue to have high expectations towards student integrity, respect, and responsibility of their actions and learning. As we continue to ensure a positive and productive learning environment for our students, St. Mary’s goal is to foster the greatest potential for academic, spiritual and emotional growth and achievement. I would like our students to remember that in all of their endeavors, to continue to strive for success.....Let’s Go All -stars!**

## Drug Free is the way to be!

⇒

St. Mary Cathedral School is proud to be drug free. We come to school every day, to read, learn, laugh, and play. We kicked off our week long “Red Ribbon Week,” with an assembly that highlighted how drugs can devastate people’s lives. This week, the entire school will unite, and show how we will help keep our lives drug free, the only way to be!

⇒

We are currently helping others by collecting money for a cure for cancer. Together, we can make a difference. St. Mary’s is paying it forward. Yes, we can, and together, we will!
